Dear Madam,

I am in receipt of your further letter dated 23rd instant in regard to the settlement of moneys due, and I understand representations have been made to the Egyptian authorities with a view to expediting the transmission of paybooks and cash statements of accounts - these are now coming to hand by every mail. Until such are received, when they will be promptly forwarded to the Military Paymaster, Victoria Barracks, Paddington, N.S.W., who will adjust matters with you, I am afraid the department is powerless.

MEMORIAL REGISTERS.**

The Register recording the names and particulars of those members of the British Expeditionary Forces who died in His Majesty's service during the Great War and are buried in the Cemetery (or whose names are commemorated on the Memorial) mentioned overleaf has been published. It will be the final official record of the War Graves in this Cemetery and copies will be deposited in all the Statutory Libraries of the British Empire for permanent custody.

The Registers contain a full description of the Cemeteries, their history, and directions for reaching them. Maps show the position of the Cemeteries in relation to the surrounding country and plans show the location of the graves.

(2587A) Wt 6716A/W732 10,000 7/25 H & J, Ld Gp 148

The names, ranks and other particulars of the Dead have been compiled from information furnished by the Naval and Military Record Offices and the next-of-kin. A proof slip of the entry in which you are interested is attached to the form opposite; corrections shown in pencil on the left hand side of it will be included in the Register. The number shown on the right hand side is the reference to the entry and will not be included.

The letters and numerals at the end of the entry represent the final registration of the burial. In the majority of Registers the number of the Plot (if there is more than one Plot) is indicated by a Roman numeral, the Row by a capital letter and the Grave by a number.

The Registers are compiled for official use, but it has been found that many of the relatives and friends of the fallen wish to possess a copy (or copies) of the Register in which they have a special interest, and copies are sold to them at cost price. The additional number to be printed will depend upon the demand resulting from this circular, and very few copies will be reserved to meet future calls; it would therefore be appreciated if you would kindly inform any of those connected with the late soldier, whose name appears on the slip proof, who are likely to require copies, so that a sufficient number may be ordered from the printers. If you desire to purchase this Register will you kindly complete and detach the form opposite and forward it, as soon as possible, to the Receiver of Public Moneys, Department of Defence, Victoria Barracks, Melbourne, with a remittance of three shillings for each copy you require. These copies will then be forwarded to you POST FREE. An acknowledgment of your remittance will be sent within fourteen days of its receipt.

Dear Sir,

In acknowledging receipt of your letter dated 29th ultimo, concerning your son, No. 409 Private M. McFlinn, 1st Company Divisional Train, reported died of wounds received in action at the Dardanelles, I have to state that arrangements have been made for any personal effects the soldier may have had with him on active service to be taken over by Messrs Thomas Cook & Son and transmitted direct to you or to any legatee mentioned in a Will or other testamentary direction, prescribing otherwise, which may be discovered amongst his belongings.

Any delay is due, it is understood, to the inability of that firm to obtain shipping space in steamers to Australia, but these matters are now being expedited, several consignments having been landed here.

That portion of your letter in regard to financial matters has been referred to the Military Paymaster, Victoria Barracks, Paddington, for favour of attention and reply to you direct.

Yours faithfully,

Capt.

DEAR SIR OR MADAM,

I am directed to say that there are still in stock a few hundred Pamphlets entitled "**Graves of the Fallen,**" a free issue of which was sent to the nominated next of kin some two years ago.

These have nothing to do with the actual photographs of the existing graves or cemeteries, but depict the military cemeteries as they will generally appear when completed, as well as the type of headstone, &c., being provided by the Imperial War Graves Commission.

Should you so desire, additional copies will be sent to any address, post free, on receipt of the sum of sixpence (6d.) per copy.

Postage stamps will be accepted in payment.
